

Woking Cougars and Woking Park & Horsell Affiliate

As part of our ongoing development of both our players and Club, Woking Cougars FC have now affiliated with Woking Park & Horsell Football Club

Here are some facts about WP&HFC that have helped Cougars decide to make this affiliation:-

1. They were established in 1990 and were born out of the amalgamation of Woking Park FC (est. 1967) and Horsell FC (est. 1946).
2. They have 3 Teams that play on Saturdays
3. Their 1st and reserves play in the Surrey Intermediates League. The third in the Guildford and Woking Alliance league.
4. They were league champions in 2000/2001 as well as achieving numerous cup victories including the Surrey County Cup in 2005

After meeting with their committee Woking Cougars found that their needs going forward perfectly dovetail with WP&HFC needs. David Jones, Chairman of Woking Cougars said "They have a very similar mindset to Woking Cougars and are very open to us. They are also well structured and are seeking to achieve FA Charter status, they also like us, have very strong links with the local community."

"We needed a Club to work with us on the development path of our youth teams into adult football, and after reviewing several other Clubs it was clear that Woking Park & Horsell FC are a great partner with strong links in the community. As always, we are acting in the best interest of the members and we are confident this new affiliation ensures continuing success for players that wish to continue their playing into adult football."

Terry Michaels commented on behalf of Woking Park & Horsell, "We are proud to be associated with Woking Cougars. We realised that in order to secure the high standards and long term future of our club we needed to bring on new talent and establish a club that would be accessible to the whole of the local community as opposed to giving something just for the adults. We pride ourselves on being a friendly family club and having Cougars on board quantifies our commitment and mindset for the future of local football for the people of Horsell and Woking. We very much welcome Cougars and are proud to be a part of a club that has grown in stature over the last few years."

We look forward to a long and prosperous partnership with Woking Park & Horsell FC.
